

**Intelligence Request Sheet *Paths to Glory***

Game \_\_\_ Turn \_\_\_\_\_ 180\_\_\_ Power \_\_\_\_\_

You may make up to five (5) requests for intelligence information from the GameMasters each turn. It is up to the GMs' discretion—and with time permitting—whether and to what extent to respond to your request. If they respond, the information will never be false, but it may not be as exact as you would like. See PtG, Chapter 18, paragraphs 91 and 92
