I hereby agree to participate in research that will be conducted by either Frank Lower or Justin Carroll. In this research, I will be shown a short video clip and then will be asked to play a computer game. After playing the game I will be given a questionnaire to evaluate my attitudes towards the game. The questionnaire will also contain some demographic questions.

The research will take place in an individual research room and will require no more than 30 minutes of my time.

I understand that by participating in this study I will receive one half-hour of credit toward satisfying the Psychology Department's research participation requirement.

I understand that this research may have the benefit of helping me to better understand myself and may help to increase my knowledge of research methods.

I understand that there may be a very remote risk that I may be uncomfortable with some of the material in this study; however, I also understand that I may discontinue my participation at any time without any penalty other than loss of research credit and that the investigator may discontinue my participation at any time.

This information was explained to me by either Frank Lower or Justin Carroll. I understand that he will answer any questions I may have now or later about this research.

Frank Lower can be reached at f_gary_lower@yahoo.com.

Justin Carroll can be reached at jr_carroll@comcast.net
